Comments:

Almost a year before our planned trip to Sri Lanka we came in contact with representatives from Leisure Island Holiday Tours.

From the start they helped us put together a tailored trip covering almost half of the Island. Our request was that we should be in Sri Lanka for 3 weeks and the trip should include different types of activities such as, visit to historical sites, beaches, wild life excursions and tea plantations and visit to Colombo including shopping.

The result became a very nice trip visiting places like, Anuradhapura, Sigiriya, Kandy, Pinawella, Trincomalee, Nuwara Eliya, Yala National Park, Kalutara Beach and Colombo.

The driver, guide and other personnel from Leisure Island Holiday Tours with their everlasting will to always give a little extra for made this trip to Sri Lanka something to remember for the rest of our lives.

I can strongly recommend Leisure Island Tours to anyone who wants to have an experience way over what can be expected. You can with great confident leave you wishes and request in the hands of the personnel from Leisure Island Holiday tours and be assured that they will transform them in to a fantastic experience for you.
